***GREENWOOD SELECTMEN***

## **Notice to Greenwood Residents**

### **In preparation for our Annual Town Meeting, March 28, 2009**

Dear Greenwood Voters,

The Greenwood Board of Selectmen has voted to change the Town's Tax Year from a Calendar Year – Jan.1, to Dec. 31<sup>st</sup> to a Fiscal Year – July 1, to June 30<sup>th</sup>. The Selectmen have also voted to allow taxpayers to choose to pay their tax bills in one full payment or in two equal installments. These changes will benefit the taxpayers and the Town in the following ways:

- **Approved Budget before spending** - Annual Town Meeting will be held before the tax year begins. Town Departments will know exactly what their approved budgets are before beginning their budget year.
- **Save Tax Dollars** – Converting to a Fiscal Year will reduce our need for a Tax Anticipation Note (TAN). We presently pay an average of \$ 14,000 a year in interest on this loan.
- **Improve Cash Flow** – Under the Calendar Tax Year, taxes were due in November, at the end of the tax year, which required the Town to finance our bill paying from January through November. With a Fiscal Year – tax dollars would be billed and paid closer to the beginning of the budget year.
- **Improve Town Budgeting** – Under a Fiscal Year, winter season expenses will fall fully within that year's budget instead of being split between two budget years. In addition, the Town's budget will align with State and School budget years.
- **Taxpayer Payment Options** – Providing taxpayers with the option of paying their taxes in full in a single installment or splitting their payment into two equal installments will give taxpayers some flexibility in their personal budgeting.

#### **Mark your Calendar**

**Monday, February 23<sup>rd</sup>** – Planning Board Public Hearing to discuss proposed Land Use Ordinance and Floodplain Ordinance that will be on the Annual Town Meeting Warrant. 6:00pm - Greenwood Town Office. Copies available at the Town Office.

**Tuesday, March 3<sup>rd</sup>** – Selectmen Public Hearing on Budget and discussion on Tax Year Change. 5:00pm – Greenwood Town Office.

**Saturday, March 28<sup>th</sup>** – Annual Town Meeting, Town Hall – 10:00am.

***Community Lakes Association***  
***March 2009***

The battle with milfoil in Pumping Station Cove, Lake Christopher and Shagg Pond continues.

We are sorry to report the passing of one of our founding members, Eleanor Wilson, August 8, 2008. We thank the family for asking friends to make donations in her memory to the Lakes Association.

The newsletter was hand delivered in early June. This saved us the cost of postage and hopefully encouraged new members to join and support the Association.

We hired Biologist Scot Williams to test South, Round and Songo Ponds in 2008. North and Indian will be tested in 2009.

Our annual meeting will be held at the Greenwood Town Hall on August 8, 2009 at 9:00am.  
(coffee and registration at 8:30am)

We hope to see you there.

## ***Buck's Ledge Update***

### ***March, 2009***

As many of you know the Mahoosuc Land Trust has worked hard this past year to acquire the property known as Buck's Ledge (including Lapham Ledge and the top of Moody Mountain). The goal is to preserve the 640 acres for conservation and recreation. The property includes the ledge that overlooks North Pond and Route 26. It also includes Lapham Ledge, a glorious view to the south of Lake Christopher. The very visible Buck's Ledge can be seen and around Woodstock and Greenwood, and for people driving through the area. A major snowmobile trail currently crosses the property between Lapham Ledge and Moody Mountain. The Mahoosuc Land Trust was able to obtain funding from both the Land for Maine's Future and the Department of Conservation toward the purchase of the 640 acres.

To promote the area Marcel Polak and Jane Chandler organized a series of hikes to promote the area for everyone. We led 6 organized hikes, which included about 60 to 70 people unfamiliar with the trails. On one of these hikes a pair of nesting peregrine falcons was spotted. Throughout the year committee members met with several groups to promote the project.

The biggest road block at the moment is trying to agree with the seller on a selling price. The current landowner would like more money for the property than the previous appraised price. As the Mahoosuc Land Trust is using public funds for the project, we need to have an appraisal that is acceptable to both the buyer and the seller. The discussions will continue to agree on a selling price.

The majority of the funding for the project will be from private donations. This step needs to wait until the Land Trust has a Purchase and Sale agreement.

What a fun project this has been. The goal is to save the area for you, the people of this town and surrounding towns. And let everyone enjoy the property in the future, free of development.

**INDEPENDENT AUDITORS' REPORT**

To the Board of Selectmen  
Town of Greenwood, Maine

We have audited the accompanying financial statements of the governmental activities of the Town of Greenwood, Maine as of and for the year ended December 31, 2008, which collectively comprise the Town's basic financial statements as listed in the table of contents. These financial statements are the responsibility of the Town of Greenwood, Maine's management. Our responsibility is to express opinions on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinions.

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the governmental activities of the Town of Greenwood, Maine, as of December 31, 2008 and the respective changes in financial position, thereof for the year then ended in conformity with accounting principles generally accepted in the United States of America.

P.O. Box 353, 223 Main Street, Norway, Maine 04268  
(207) 743-6771 Fax (207) 743-8606

The management's discussion and analysis and the budgetary comparison information, as listed in the table of contents, are not a required part of the basic financial statements but are supplementary information required by accounting principles generally accepted in the United States of America. We have applied certain limited procedures, which consisted principally of inquiries of management regarding the methods of measurement and presentation of the required supplementary information. However, we did not audit the information and express no opinion on it.

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the Town of Greenwood, Maine's basic financial statements. The combining and individual nonmajor fund financial statements, listed in the table of contents, are presented for purposes of additional analysis and are not a required part of the basic financial statements. The supplementary information has been subjected to the auditing procedures applied in the audit of the basic financial statements and, in our opinion, is fairly stated in all material respects in relation to the basic financial statements taken as a whole.

are different because:

Governmental funds report capital outlays as expenditures while  
governmental activities report depreciation expense to allocate  
those expenditures over the life of the assets:

|                                     |                    |
|-------------------------------------|--------------------|
| Capital asset purchases capitalized | \$ 119,919         |
| Depreciation expense                | <u>(208,031)</u>   |
|                                     | <u>\$ (88,112)</u> |

Government funds report changes in deferred taxes as revenues while  
government activities do not report changes in deferred taxes

\$ 25,680

Repayment of debt principal is an expenditure in the govern-  
mental funds, but the repayment reduces long-term liabilities in  
the Statement of Net Assets:

|  |                  |
|--|------------------|
| Bond obligation principal payments, net of new debt incurred | <u>\$ 45,364</u> |
|--|------------------|

|   |                          |
|---|--------------------------|
| Change in Net Assets of Governmental Activities | <u><u>\$ 137,898</u></u> |
|---|--------------------------|

Dear Friends and Neighbors:

I welcome this opportunity to thank you for the honor of serving in the Maine State Legislature. Representing the interests of all citizens in District 95 for the last six years has been a tremendous privilege and one that I have taken very seriously. Due to statutory term limits, this will be my final term in the House of Representatives. I am proud to be the voice of the fine folks in the Towns of Greenwood, Norway, Waterford and West Paris and am eager to tackle the challenges that lie ahead.

Having again been appointed as the Lead Republican on the Joint Standing Committee on Appropriations and Financial Affairs, my colleagues and I are working diligently to address a \$140 million shortfall for the current fiscal year, which ends June 30, 2009. Once that task is resolved, we will then move on and try to close a structural gap of approximately \$838 million in the state's upcoming two-year budget. I am confident that we can achieve success without additional financial burden on Mainers through increased taxes. Tightening our fiscal belt is the key to a vibrant future. With many Mainers facing unemployment, foreclosures and rising costs of daily living, the financial picture looks quite grim. However, I believe we can seize this opportunity to reduce state spending, implement more efficient policies and eliminate wasteful practices in all state departments and agencies. We can employ more resourceful and ingenious ways of running state government and still be able to care for our most vulnerable citizens.

To keep up-to-date on legislative activities, I would encourage you to visit the Legislature's website at [www.state.me.us/legis/homepage.htm](http://www.state.me.us/legis/homepage.htm). From here you are able to gather information about the House of Representatives and the Senate, monitor and listen to the legislative sessions and public hearings, view documents and research roll call votes.

Again, thank you for the confidence you have placed in me. As always, your comments and suggestions are truly appreciated. It is through your input that I am better able to serve you. Feel free to contact me at home in Waterford, 583-4842, or at the State House in Augusta, 287-1440. If you prefer writing, my mailing address is 37 Golden Guernsey Drive, Waterford, Maine 04088; and my e-mail address is [SawinMillett@aol.com](mailto:SawinMillett@aol.com).

Sincerely,

Dear Friends and Neighbors,

It continues to be my distinct pleasure to serve as your voice in Augusta. In November I was re-elected to my fourth and final term in the Maine State Senate and I am looking forward to addressing the monumental issues facing us during these difficult economic times.

One of the top priorities that I am focusing on this session is our economy. While many other states across the country are experiencing double-digit unemployment right now, Maine's economy is actually stronger than most. Despite our situation, many people are still hurting and need a job or more money in their pockets to make ends meet.

However we answer the question of our economic future, I firmly believe that our economy must be built on a strong foundation that includes education, transportation, sound energy policies, and advancements in information technologies.

I would like to sincerely thank everyone who have contacted me with questions, comments and concerns on various issues. It is most helpful to me as I review the many matters that come before me in Augusta. Keep them coming! If I can ever be of any assistance to you or your family, please do not hesitate to contact me.

Most Sincerely,

Senator Bruce S. Bryant

Dear Citizens of Greenwood:

In 2008, Mainers entrusted me to serve another term in the U.S. Senate. I am deeply honored and pledge to continue to work with my colleagues, both old and new, and with President Obama to forge bipartisan solutions to the economic crisis and the many other challenges facing our nation. I appreciate this opportunity to report on some highlights of my recent work in the U.S. Senate.

The number one priority continues to be to strengthen our struggling economy. We must look at additional ways to get our economy back on track. Last summer, I introduced an economic recovery bill, which included a proposal for \$50 billion in infrastructure funding to create jobs and improve our nation's aging transportation infrastructure. Anyone who drives in Maine recognizes the deteriorating state of many of our roads and bridges. Investing in our infrastructure not only creates jobs but also leaves communities with lasting and needed assets. My proposal also includes \$1 billion in additional funding for the Workforce Investment Act and tax incentives to help small businesses and to encourage energy conservation.

One of the energy provisions of the legislation was signed into law last year. It provides a \$300 tax credit to help individuals purchase clean-burning wood pellet stoves in order to provide an affordable alternative for heating their homes.

Soaring energy prices throughout much of 2008 highlight the critical need for our nation to achieve energy independence. As a nation, we should set a goal of energy independence by the year 2020—an ambitious goal that will require a multi-faceted approach, but one that can be achieved through resolve and commitment. I joined a bipartisan group of 20 Senators that has developed a comprehensive bill to expand production of American energy, promote conservation, and spur the development of alternative sources of energy. To immediately mitigate the effects of high prices, I fought to increase funding for programs that help our seniors and low-income families such as the Low Income Home Energy Assistance Program (LIHEAP) and the Weatherization Assistance Program.

As the Ranking Member of the Senate Homeland Security Committee, I am committed to ensuring that our nation is as safe as possible and that government is prepared to respond to disasters. Maine certainly has had its share of natural disasters during the past year. This year, my homeland security priorities include renewing a port security law that I coauthored and strengthening security at labs containing dangerous pathogens.

Other priorities include supporting the vital work being done at Bath Iron Works, the Portsmouth Naval Shipyard, and other defense-related businesses throughout Maine – all of which are making significant contributions to our national security. We must also continue to improve and expand access to affordable health care – particularly in our rural communities – expand aid for education, protect our environment.

While this is just a brief summary of my recent work in Washington over the past several months, please know that I will continue to work as hard as possible representing Maine in the U.S. Senate. I am grateful for many blessings, including the opportunity to continue representing Greenwood and Maine in the United States Senate.

If ever I can be of assistance to you, please contact my Lewiston office at 207-784-6969, or visit my website at <http://collins.senate.gov>.

Sincerely,

Susan M. Collins  
United States Senator
